# Get a Program in your Pocket

Affect's integrated digital program revolutionizes treatment for alcohol and substance use disorders

 Financial rewards for recovery progress

 Group and individual therapy

 Medications to manage cravings

 Resources to improve your life, including healthcare, employment, and housing

 All delivered through your phone

 Covered by your insurance

Affect's digital treatment program is hyper convenient, discreet, and more than twice as effective as traditional rehab. An app provides access to everything you get from a clinic and more. The gamified experience engages and motivates you with real cash rewards. We beat the deadly game of addiction by changing the rules. Join Affect and come win your life back.
